PLASTIC BAN

PAGE 2

OCTOBER TO DECEMBER 2023

HELLO ECO-FRIENDLY PACKAGING!

Say hello to our widest selection of environmentally friendly packaging together with our best-selling hygiene and cleaning products!

With the Single Use Plastic Ban just around the corner, we've got everything you need to adapt your menu and be fully prepared! Whether you serve crispy chicken or gravy-loaded chips, you can find a strong, robust packaging option that will suit your needs.

What is the Single Use Plastics Ban?

From 1 October 2023 businesses must no longer supply, sell or offer certain single-use plastic items in England.

Visit: www.gov.uk to find out more.

BAGASSE, a recycled sugarcane material, is a sustainable substitute for polystyrene. It is completely compostable and can handle hot, wet, and oily foods. Opting for bagasse packaging means making an eco-friendly choice without compromising on quality. Find out more about our bagasse range on pages 8 and 9.
