Environmental Policy Statement

JJ Food Service Limited recognised that it has a duty of care to protect and safeguard the natural environment.

JJ Food Service Limited is committed to continual improvement, prevention of pollution and comply with legal and other requirements in its Environmental Management System.

In order to meet this duty JJ Food Service Limited will seek to:

- Reduce, where practicable, the environmental effect of our activities to prevent potential for air pollution, minimise waste production and ensure the efficiency use of resources;
- Comply with all current environmental legislation and other requirements and seek to meet future legislative provisions;
- Promote efficient use of energy resources;
- Set and review objectives annually;
- Integrate environmental issues into all aspects of decision-making processes within the company;
- Address environmental issues within normal operating procedures;
- Develop and implement emergency response procedures to minimise the environmental impact of incidents;
- Promote environmental awareness and responsibility among employees and others;
- Ensure continuous improvement in environmental performance.

It will be the responsibility of JJ Food Service Limited to ensure that all business activities are undertaken in such a way as to minimise the potential environmental impact of those activities.

Mustafa Kiamil

CEO – JJ Food Service Limited
